B. Summary Decision on the Unit
(to be completed after the form has been filled in)

Housing Quality Standard Pass or Fail

[ ] 1. **Fail** If there are any checks under the column headed "Fail" the **unit** fails the minimum housing quality standards. Discuss with the owner the repairs noted that would be necessary to bring the unit up to the standard.

[ ] 2. **Inconclusive** If there are no checks under the column headed and there are checks under the column headed "Inconclusive", obtain additional information necessary for a decision (question owner or tenant as indicated in the item instructions give in this checklist). Once additional information is obtained, change the rating for the item and record the date of verification at the far right of the form.

[X] 3. **Pass** If neither (1) nor (2) above is checked, the unit passes the minimum housing quality standards. Any additional conditions described in the right hand column of the form should serve to (a) establish the recondition of the unit, (b) indicate possible additional areas to negotiate with the owner, (c) aid in assessing the reasonableness of the rent of the unit, and (d) aid the tenant in deciding amoung possible units to be rented. The tenant is responsible for deciding whether he or she finds these conditions acceptable.

[2] **Unit Size:** Count the number of bedrooms for purposes of the FMR or Payment Standard. Record in box provided.

[1941] **Year Constructed:** Enter from Line 5 of the Request for Tenancy Approval form. Recorfd in box provided.

[ ] **Number of Sleeping Rooms:** Count the number of rooms which could be used for sleeping, as identified on the checklist. Record in the box provided.

C. How to Fill Out This Checklist
Complete the checklist on the unit to be occupied (or currently occupied) by the tenant. Proceed through the inspectrion as follows:

Area	Checklist Category
room by room	1. Living Room
	2. Kitchen
	3. Bathroom
	4. All Other Rooms Used for Living
	5. All Secondary Rooms Not Used for Living
basement or utility room	6. Heating & Plumbing
outside	7. Building Exterior
overall	8. General Health and Safety

Each part of the checklist will be accompanied by an explanation of the item to be inspected.
Important: For each item numbered on the checklist, **check one box only** (e.g., check one box only for Item 1.4 "Security, " in the Living Room.)
In the space to the right of the description of the item, if tghe decision on the item is: "Fail" write what repairs are necessary; If "Inconclusive" write in details. Also, if "Pass" but there are some conditions present that need to be brought to the attention of the owner or the tenant, write these in the spaces tgo the right.
If it is an annual inspection, record to the right of the form any repairs made since the last inspection. If possible, record reason for repair (e.g., ordinary maintenance, tenant damage).
If it is a complaint inspection, fill out only those checklist items for which complaint is lodged. Determine, if possible, tenant or owner cause.
Once the checklist has been completed, return to Part B (Summary Decision on the Unit).
