11/30/23 no show light brown house, brown honda in driveway
JC-2-7-24 Tenant called and advised he does not believe anyone went out on 11/30, but the GFCI have protections in the garage. Advised him to notify the inspector of that like he did in prior years (tenant was not at the 1/18 inspection to advise).
JC-2-7-24 Spoke to the owner who called about the GFCI fail and asked why that never failed in prior years? Explained I cannot verify why another inspector did not fail it, but it is required to be fixed. Owner then disputed the re-inspection fee because he claimed the tenant was present on 11/30 asked why they never called in November. Owner advised the tenant did call. They may call back.
